RE: Byhalia Connection Pipeline NWP 12 Verification MVM-2019-206

Dear Mr. Allan:

Byhalia Pipeline LLC ("Byhalia") received authorization under the 2017 Nationwide Permit 12 program from your office on February 1, 2021 for the construction of the Byhalia Connection Pipeline project. Due to changes in energy production post-COVID, Byhalia has determined that it will no longer pursue this pipeline construction project and respectfully requests the Army Corps of Engineers revoke the 2017 Nationwide Permit 12 verification, MVM-2019-206.
